

Targa Resources Partners to Present at the Wachovia Pipeline and Energy MLP Symposium in New York

HOUSTON November 28, 2007 - Targa Resources Partners LP ("Targa Resources Partners" or the "Partnership") (NASDAQ: NGLS) announced today that Jeff McParland, Executive Vice President and Chief Financial Officer, will speak at the Wachovia Capital Markets Pipeline and Energy MLP Symposium, to be held on December 6th, at the Jumeirah Essex House in New York, New York.

The presentation will begin at 3:05 p.m. Eastern time (2:05 p.m. Central time) and is expected to last approximately 20 minutes followed by a question and answer session. The presentation will not be webcast, however, the presented materials will be available the day of the presentation on the Partnership's website at www.targaresources.com under "Investor Relations - Overview - Events & Presentations".

About Targa

Targa Resources Partners was formed by Targa Resources, Inc. ("Targa") to engage in the business of gathering, compressing, treating, processing and selling natural gas and fractionating and selling natural gas liquids and natural gas liquids products. Targa Resources Partners currently operates in southwest Louisiana, the Permian Basin in west Texas and the Fort Worth Basin in north Texas. A subsidiary of Targa is the general partner of Targa Resources Partners. Targa Resources Partners owns an extensive network of integrated gathering pipelines, seven natural gas processing plants and two fractionators.

Targa Resources Partners' principal executive offices are located at 1000 Louisiana, Suite 4300, Houston, Texas 77002 and its telephone number is 713-584-1000.

Forward-Looking Statements

Certain statements in this release are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements, other than statements of historical facts, included in this release that address activities, events or developments that the Partnership expects, believes or anticipates will or may occur in the future are forward-looking statements. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties, factors and risks, many of which are outside Targa Resources Partners' control, which could cause results to differ materially from those expected by management of Targa Resources Partners. Such risks and uncertainties include, but are not limited to, weather, political, economic and market conditions, including a decline in the price and market demand for natural gas and natural gas liquids, the timing and success of business development efforts; and other uncertainties. These and other applicable uncertainties, factors and risks are described more fully in the Partnership's Annual Report on Form 10-K for the year ended December 31, 2006 and other reports filed with the Securities and Exchange Commission. Targa Resources Partners undertakes no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
