### **About Targa Resources Partners**

Targa Resources Partners was formed by Targa Resources, Inc. ("Targa") to engage in the business of gathering, compressing, treating, processing and selling natural gas and fractionating and selling natural gas liquids and natural gas liquids products. Targa Resources Partners owns an extensive network of integrated gathering pipelines and natural gas processing plants and currently operates in the Permian Basin in West Texas, the Fort Worth Basin in North Texas and the Louisiana Gulf Coast primarily accessing the offshore region of Louisiana. Additionally, our natural gas liquids logistics and marketing assets are located primarily at Mont Belvieu and Galena Park near Houston, Texas and in Lake Charles, Louisiana with terminals and transportation assets across the United States. A subsidiary of Targa is the general partner of Targa Resources Partners.

Targa Resources Partners' principal executive offices are located at 1000 Louisiana, Suite 4300, Houston, Texas 77002 and its telephone number is 713-584-1000.
