HOUSTON, December 14, 2009 — Targa Resources Partners LP (NASDAQ: NGLS) (“Targa Resources Partners” or the “Partnership”) today announced that the Board of Directors of its general partner has approved the filing of an application to list its common units on the New York Stock Exchange (“NYSE”). The Partnership anticipates that, subject to NYSE approval, its common units will begin trading on the NYSE under its current ticker “NGLS” on or about January 25, 2010. “We believe the move to the NYSE builds on our strategy to increase value for our unit holders by adding the benefits of increased trading liquidity and visibility and decreased volatility. We look forward to joining many of our midstream industry peers already listed on the NYSE. Our relationship with the NASDAQ has been positive and we appreciate their service over the years,” said Rene Joyce, Chief Executive Officer of the Partnership’s general partner and of Targa Resources, Inc.
