Indenture

On August 18, 2020, in connection with the previously announced offering (the “Offering”) and issuance by Targa Resources Partners LP (the “Partnership”), a subsidiary of Targa Resources Corp., and its wholly-owned subsidiary, Targa Resources Partners Finance Corporation (“Finance Corp”) and, together with the Partnership, the “Issuers”) of \$1,000,000,000 in aggregate principal amount of the Issuers’ 4 7/8% senior unsecured notes due 2031 (the “Notes”), the Partnership entered into an Indenture (the “Indenture”), among the Issuers, certain subsidiary guarantors named therein (the “Guarantors”) and U.S. Bank National Association, as trustee (the “Trustee”).

On August 18, 2020, the Notes were issued pursuant to the Indenture in a transaction exempt from the registration requirements under the Securities Act of 1933, as amended (the “Securities Act”). The Notes were resold within the United States only to qualified institutional buyers in reliance on Rule 144A under the Securities Act, and outside the United States only to non-U.S. persons in reliance on Regulation S under the Securities Act.

The Notes will mature on February 1, 2031, and interest is payable on the Notes semi-annually in arrears on each February 1 and August 1, commencing February 1, 2021. The Notes are guaranteed on a senior unsecured basis by the Guarantors.

At any time prior to February 1, 2024, the Issuers may redeem up to 35% of the Notes at a redemption price of 104.875% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Liquidated Damages (as such term is defined in the Indenture), if any, to the redemption date, in an amount not greater than the proceeds of certain equity offerings so long as the redemption of the Notes occurs within 180 days of completing such equity offering and at least 65% of the aggregate principal amount of the Notes remains outstanding after such redemption. Prior to February 1, 2026, the Issuers may redeem some or all of the Notes for cash at a redemption price equal to 100% of their principal amount plus an applicable make whole premium and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date.

On or after February 1, 2026, the Issuers may redeem some or all of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Liquidated Damages, if any, to the redemption date if redeemed during the twelve-month period beginning on February 1 of each year indicated below:

<u>Year</u>	<u>Percentage</u>
2026	102.438%
2027	101.625%
2028	100.813%
2029 and thereafter	100.000%

The Indenture restricts the Partnership’s ability and the ability of certain of its subsidiaries to: (i) incur additional debt; (ii) pay distributions on, or repurchase, equity interests; (iii) make certain investments; (iv) incur liens; (v) enter into transactions with affiliates; (vi) merge or consolidate with another company; and (vii) transfer and sell assets. These covenants are subject to a number of important exceptions and qualifications. If at any time

when the Notes are rated investment grade by either of Moody's Investors Service, Inc. or S&P Global Ratings and no Default (as defined in the Indenture) has occurred and is continuing, many of such covenants will terminate and the Partnership and its subsidiaries will cease to be subject to such covenants. The Indenture provides that each of the following is an Event of Default: (i) default for 30 days in the payment when due of interest on, or liquidated damages, if any, with respect to, the Notes; (ii) default in the payment when due of the principal of, or premium, if any, on the Notes; (iii) failure by the Issuers or any Guarantor to make a change of control offer or an asset sale offer within the requisite time periods, to consummate a purchase of Notes when required under the Indenture or to comply with certain covenants relating to merger, consolidation or sale of assets; (iv) failure by the Partnership to comply for 90 days after notice with the provisions of the Indenture relating to periodic reports of the Partnership as required by the Securities Exchange Act of 1934; (v) failure by the Issuers or any Guarantor to comply for 60 days after written notice with any of the other agreements in the Indenture; (vi) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Partnership or any of the Partnership's restricted subsidiaries (or the payment of which is guaranteed by the Partnership or any of its restricted subsidiaries), if that default: (a) is caused by a failure to pay principal of, or interest or premium, if any, on such indebtedness prior to the expiration of the grace period provided in such indebtedness on the date of such default (a "Payment Default"); or (b) results in the acceleration of such indebtedness prior to its stated maturity, and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates in excess of 3.0% of the Partnership's consolidated net tangible assets, provided, however, that if, prior to any acceleration of the Notes, (a) any such Payment Default is cured or waived, (b) any such acceleration of such indebtedness is rescinded, or (c) such indebtedness is repaid during the 30 day period commencing upon the end of any applicable grace period for such Payment Default or the occurrence of such acceleration of such indebtedness, as applicable, any default or event of default (but not any acceleration of the Notes) caused by such Payment Default or acceleration of such indebtedness shall automatically be rescinded, so long as such rescission does not conflict with any judgment, decree or applicable law; (vii) failure by either Issuer or any of the Partnership's restricted subsidiaries to pay final judgments aggregating in excess of 3.0% of the Partnership's consolidated net tangible assets, which judgments are not paid, discharged or stayed for a period of 60 days; (viii) except as permitted by the Indenture, any subsidiary guarantee shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or any Guarantor, or any person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its guarantee of the Notes; and (ix) certain events of bankruptcy or insolvency described in the Indenture with respect to the Issuers or any of the Partnership's significant subsidiaries or any group of restricted subsidiaries that, taken as a whole, would constitute a significant subsidiary. In the case of an Event of Default described in the preceding clause (ix), all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Registration Rights Agreement

On August 18, 2020, in connection with the issuance of the Notes, the Partnership entered into a Registration Rights Agreement among the Issuers, the Guarantors and Wells Fargo Securities, LLC, as representative of the several initial purchasers of the Notes (the "Initial Purchasers"). Pursuant to the Registration Rights Agreement, unless the restrictive legend has been removed from the Notes and the Notes are freely tradable pursuant to Rule 144 under the Securities Act as of the 370th day following the issuance of the Notes, the Issuers and the Guarantors will (1) use commercially reasonable efforts to consummate an exchange offer and (2) if required, have a shelf registration statement declared effective with respect to resale of the Notes. The Issuers and the Guarantors are required to pay, as liquidated damages, additional interest if they fail to comply with their obligations to exchange or register the Notes within the specified time periods.

Relationships

The Initial Purchasers or their respective affiliates have performed investment banking, financial advisory and commercial banking services for the Partnership and certain of its affiliates, for which they have received customary compensation, and they may continue to do so in the future. The Partnership intends to use a portion of the net proceeds from the Offering to fund the concurrent cash tender offer (the "Tender Offer") to purchase for cash, subject to certain conditions, any and all of the Partnership's 6 ³/₄% Senior Notes due 2024 (the "2024 Notes"), to

pay fees and expenses thereof, and to redeem any 2024 Notes that remain outstanding after consummation of the Tender Offer. The Partnership will use the remaining net proceeds from the Offering to reduce borrowings under the Partnership's senior secured revolving credit facility. Because certain of the Initial Purchasers or their affiliates are lenders under the Partnership's credit facilities and may be holders of (or manage accounts that hold) the notes subject to the Tender Offer, such Initial Purchasers and affiliates will receive a portion of the net proceeds from the Offering. The Partnership has entered into commodity swap transactions with certain of the Initial Purchasers with terms the Partnership believes to be customary in connection with these transactions.

The descriptions set forth above in this Item 1.01 are qualified in their entirety by the Indenture and the Registration Rights Agreement, which are filed herewith as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 of this Current Report on Form 8-K.

Item 8.01 Other Events

On August 17, 2020, the Partnership issued a press release announcing the expiration and final results of the Tender Offer. A copy of the Partnership's press release is filed as Exhibit 99.1 hereto and is incorporated by reference into this Item 8.01.

The press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state in which the offer, solicitation or sale of such securities would be unlawful prior to registration or qualification under the securities laws of any such state.
