Targa Resources Partners LP Announces Change of Control Tender Offer in Connection with Planned Merger with Atlas Pipeline Partners, L.P.

Houston, Texas, February 2, 2015 – Targa Resources Partners LP (“Targa Resources Partners” or the “Partnership”) (NYSE: NGLS) announced today that it has commenced a cash tender offer (the “Change of Control Offer”) for any and all of the outstanding \$500.0 million aggregate principal amount of the 6 5/8% Senior Notes due 2020 (CUSIP No. 04939MAM1) (the “APL Notes”) issued by Atlas Pipeline Partners, L.P. (“APL”) and Atlas Pipeline Finance Corporation (“Finance Co.” and together with APL, the “APL Issuers”). Any APL Notes that remain outstanding after consummation of the Change of Control Offer will continue to be the obligation of the APL Issuers under the indenture governing the APL Notes (the “APL Indenture”).

Targa Resources Partners is making the Change of Control Offer in connection with, and conditioned upon, the consummation of the proposed merger with APL. The merger, however, is not conditioned on the consummation of the Change of Control Offer. The Change of Control Offer is also being made independently of Targa’s previously announced tender offer for the APL Notes that commenced on January 15, 2015.

The consummation of the merger with APL will result in a Change of Control under the APL Indenture and obligate the APL Issuers to make a Change of Control Offer. As permitted by the APL Indenture, Targa is making the Change of Control Offer in lieu of the APL Issuers and in advance of, and conditioned upon, the consummation of the merger with APL.

The Change of Control Offer is scheduled to expire at 8:00 a.m., New York City time, on March 3, 2015, unless extended by the Partnership (such time and date, as the same may be extended, the “Expiration Time”). Holders who validly tender their APL Notes prior to the Expiration Time will be eligible to receive a purchase price of \$1,010 for each \$1,000 principal amount of APL Notes. Holders whose APL Notes are purchased in the Change of Control Offer will also receive accrued and unpaid interest from the most recent interest payment date on their APL Notes up to, but not including, the settlement date, which will occur promptly after the Expiration Time.

Tendered APL Notes may be withdrawn at any time prior to the Expiration Time. Any extension, termination or amendment of the Change of Control Offer will be followed as promptly as practicable by a public announcement thereof.

The complete terms and conditions of the Change of Control Offer are described in Targa’s Change of Control Notice and Offer to Purchase dated February 2, 2015, copies of which may be obtained from D.F. King & Co., Inc., the tender agent for the Change of Control Offer, by calling (877) 361-7970 (US toll-free) or, for banks and brokers, (212) 269-5550 (collect), or by emailing atlas@dfking.com.

This announcement is not an offer to purchase, a solicitation of an offer to sell or a solicitation of consents with respect to any securities. The Change of Control Offer is being made solely by the Change of Control Notice and Offer to Purchase dated February 2, 2015. The Change of Control Offer is not being made to holders of the APL Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.
