

Targa Resources Partners LP Announces Early Results of Exchange Offer and Consent Solicitation

HOUSTON, Feb. 4, 2011 (GLOBE NEWSWIRE) -- Targa Resources Partners LP ("Targa Resources Partners" or the "Partnership") (NYSE:NGLS) and its subsidiary Targa Resources Partners Finance Corporation (collectively, the "Issuers") announced today the expiration of the early participation period in connection with their private offer (the "Exchange Offer") to certain Eligible Holders (as defined below) to exchange any and all outstanding 11¼% Senior Notes due 2017 (CUSIP No. 87612BAD4) (the "Old Notes") for 6¾% Senior Notes due 2021 (the "New Notes") to be issued by the Issuers and cash, and a solicitation of consents (the "Consent Solicitation"). Based on information provided by the exchange agent to the Issuers, the principal amount of the Old Notes that has been validly tendered and with respect to which consents ("Consents") have been validly delivered was \$158,576,000, as of 5:00 p.m., New York City time, on February 3, 2011 (the "Consent Date").

The Issuers have accepted all such tendered Old Notes and Consents and, on February 4, 2011, expect to deliver \$1,000 principal amount of New Notes and a cash payment in the amount of \$175.00 per \$1,000 principal amount of Old Notes tendered and Consents received.

The Old Notes tendered and Consents received as of the Consent Date satisfy the condition that the Issuers receive Consents to certain proposed amendments (the "Proposed Amendments") to the indenture under which the Old Notes were issued (the "Old Notes Indenture") from holders of at least a majority of the outstanding principal amount of the Old Notes. Accordingly, the Issuers have entered into a supplemental indenture to the Old Notes Indenture to effect the Proposed Amendments, which eliminate substantially all of the restrictive covenants and certain events of default contained in the Old Notes Indenture.

The Exchange Offer will expire at Midnight, New York City time, on February 15, 2011, subject to any extension by the Issuers (the "Expiration Date"). In accordance with the terms of the Exchange Offer and Consent Solicitation, the withdrawal deadline relating to Old Notes tendered and Consents delivered occurred at 5:00 p.m., New York City time, on February 1, 2011. As a result, Old Notes tendered and Consents delivered may no longer be withdrawn, except where additional withdrawal rights are required by law. Eligible Holders who tender after the Consent Date but at or prior to the Expiration Date will be eligible to receive only the exchange price set out in the Exchange Offering Memorandum (as defined below).

The Exchange Offer and Consent Solicitation are being conducted upon the terms and subject to the conditions set forth in a confidential exchange offering memorandum and consent solicitation statement (the "Exchange Offering Memorandum") dated January 19, 2011, and the related letter of transmittal and consent (the "Letter of Transmittal and Consent"). The Exchange Offer and Consent Solicitation are only being made, and copies of the offering documents will only be made available, (1) to "qualified institutional buyers" as defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), in a private transaction in reliance upon the exemption from the registration requirements of the Securities Act provided by Section 4(2) thereof and (2) outside the United States, to persons other than "U.S. persons" as defined in Rule 902 under the Securities Act in offshore transactions in compliance with Regulation S under the Securities Act (each, an "Eligible Holder").

The Exchange Offering Memorandum and related Letter of Transmittal and Consent will only be distributed to Eligible Holders who complete and return a letter of eligibility confirming that they are Eligible Holders. Holders of Old Notes who desire a copy of the letter of eligibility may contact D.F. King & Co., Inc., the information agent and exchange agent for the Exchange Offer and Consent Solicitation, at (800) 859-8508 (toll free) or (212) 269-5550 (banks and brokers).

The New Notes have not been registered under the Securities Act, or any state securities laws, and unless so registered, the New Notes may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The New Notes are expected to be eligible for trading by qualified institutional buyers under Rule 144A and non-US persons under Regulation S. This announcement shall not constitute an offer to sell or a solicitation of an offer to buy any of the New Notes or Old Notes, except as required by law. This announcement must be read in conjunction with the Exchange Offering Memorandum and the related Letter of Transmittal and Consent.
