Targa Resources Partners LP Announces Tender Offers in Connection with Planned Merger with Atlas Pipeline Partners, L.P.

Houston, Texas, January 15, 2015 – Targa Resources Partners LP (“Targa Resources Partners” or the “Partnership”) (NYSE: NGLS) announced today that it has commenced cash tender offers (the “Tender Offers”) for any and all of the outstanding \$500.0 million aggregate principal amount of the 6 5/8% Senior Notes due 2020 (CUSIP No. 04939MAM1), \$400.0 million aggregate principal amount of the 4 3/4% Senior Notes due 2021 (CUSIP No. 04939MAL3) and \$650.0 million aggregate principal amount of the 5 7/8% Senior Notes due 2023 (CUSIP No. 04939MAJ8) (collectively, the “APL Notes”) issued by Atlas Pipeline Partners, L.P. (“APL”) and Atlas Pipeline Finance Corporation (“Finance Co.” and together with APL, the “APL Issuers”), and solicitations of consents (the “Consent Solicitations”) to certain proposed amendments to the respective indentures governing the APL Notes (the “Indentures”).

Targa Resources Partners is making the Tender Offers in connection with, and conditioned upon, the consummation of the proposed merger with APL. The proposed merger with APL, however, is not conditioned on the consummation of the Tender Offers.

Each Tender Offer is scheduled to expire at 11:59 p.m., New York City time, on February 18, 2015, unless extended by the Partnership in its sole discretion (such time and date, as the same may be extended, the “Expiration Time”). Holders who validly tender their APL Notes prior to 5:00 p.m., New York City time, on January 29, 2015, unless extended by the Partnership in its sole discretion (such time and date, as the same may be extended, the “Early Tender Date”), will be eligible to receive the Total Consideration (as defined below). Holders who validly tender their APL Notes after the Early Tender Date and prior to the Expiration Time will be eligible to receive the Tender Offer Consideration (as defined below). Holders whose APL Notes are purchased in the Tender Offers will also receive accrued and unpaid interest from the most recent interest payment date on their series of APL Notes up to, but not including, the settlement date, which will occur promptly after the Expiration Time.

The “Total Consideration” for each \$1,000 principal amount of each series of APL Notes validly tendered and not validly withdrawn prior to the Early Tender Date is \$1,015. The “Tender Offer Consideration” for each \$1,000 principal amount of each series of APL Notes validly tendered and not validly withdrawn after the Early Tender Date and prior to the Expiration Time is \$985. The Tender Offer Consideration is the Total Consideration minus the early tender premium of \$30 per \$1,000 principal amount of each series of APL Notes tendered and accepted by the Partnership for purchase in a Tender Offer. Holders who validly tender their APL Notes after the Early Tender Date and prior to the Expiration Time will be eligible to receive only the Tender Offer Consideration.

In connection with the Tender Offers, Targa Resources Partners is soliciting consents, on behalf of the APL Issuers, to amend the APL Notes and each of the Indentures governing the APL Notes. The proposed amendments with respect to each series of the APL Notes, which require the consent of a majority in outstanding principal amount of such series of APL Notes, would (i) delete in their entirety substantially all the restrictive covenants and (ii) eliminate certain events of default. Subject to receipt of consents from the holders of a majority in principal amount of each series of the APL Notes, Targa Resources Partners expects that the APL Issuers will promptly sign a supplemental

indenture to each Indenture in order to effectuate the proposed amendments. Each supplemental indenture will be effective upon signing, but the proposed amendments will not become operative with respect to a series of APL Notes until Targa Resources Partners has purchased a majority in principal amount of such series of APL Notes.

Tendered APL Notes may be withdrawn and consents may be revoked before 5:00 p.m., New York City time, on January 29, 2015, or such earlier or later date as the applicable supplemental indenture becomes effective, unless extended by Targa Resources Partners, but generally not afterwards. Any extension, delay, termination or amendment of the Tender Offers will be followed as promptly as practicable by a public announcement thereof.

Each Tender Offer and the related consent solicitation is subject to the satisfaction, or waiver, if applicable, by Targa Resources Partners, of the following conditions: (1) receipt of consents to the proposed amendments of the Indentures from holders of a majority in principal amount of the outstanding APL Notes of each series, (2) execution of the supplemental indentures effecting the proposed amendments with respect to the APL Notes, (3) consummation of Targa Resources Partners' proposed merger with APL (which condition Targa Resources Partners may not waive), (4) completion of satisfactory financing and (5) certain other customary conditions. Any extension or termination of any Tender Offer will be followed as promptly as practicable by a public announcement thereof.

The complete terms and conditions of the Tender Offers and the related consent solicitations are described in the Offer to Purchase and Consent Solicitation Statement dated January 15, 2015, copies of which may be obtained from D.F. King & Co., Inc., the tender agent and information agent for the Tender Offers, by calling (877) 361-7970 (US toll-free) or, for banks and brokers, (212) 269-5550 (collect), or by emailing atlas@dfking.com.

This announcement is not an offer to purchase, a solicitation of an offer to sell or a solicitation of consents with respect to any securities. The Tender Offers and the consent solicitations are being made solely by the Offer to Purchase and Consent Solicitation Statement dated January 15, 2015. The Tender Offers are not being made to holders of the APL Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.
